

2023-2024 TRUMBULL COUNTY JUNIOR FAIR BEEF RULES

1. The Steer/Species' Committee will consist of four (4) adults and five (5) members at a ratio of one (1) and one (1) per club with representation proportionate to each club's membership. The names of these committee members will be submitted with the club and county rules by the November Livestock Sale Committee meeting. The committee will have one (1) chairperson who will be elected by the members of the committee.
2. Exhibitors may acquire their steers any place they choose. The club's Steer (species) Committee will assist those requesting assistance.
3. There is no ceiling set price paid for steers by the exhibitors.
4. It is SUGGESTED steers weigh no less than 450 lbs. on the day of weigh in.
5. Steers must be in possession of the exhibitor by weigh in.
6. All animals (steers/heifers) will be *checked in* at the fairgrounds the first Sunday of December between 8:00 a.m. and 10:00 a.m. They will be ear tagged, weighed, checked for castration, and any other procedures deemed necessary at the time. **There will be no tagging of animals on trailers/trucks.**
7. First year members may have one (1) steer to be shown live or carcass or one (1) beef feeder; after the first year, members may take a maximum of four (4). (Maximum two (2) to compete in either show – 2 live or 2 carcass). All members, with the exception of first year and last year members, must bring one live project to be able to bring a carcass project.

8. One steer may be tagged by multiple siblings (in the same household) as long as it's declared on all siblings' forms. Steer may be used for showmanship, market or carcass as long as it is declared at fair weigh-in which sibling will be showing the steer.
9. All steers must be polled or dehorned and properly castrated (steered) and completely healed, before December weigh-in and prior to 8 months of age.
10. Animals must be born on or after January 1, 2023. Market animals must not have permanent incisor teeth showing. No market beef animal will be permitted to be tagged in at the December weigh-in if any permanent teeth are evident.
11. All animals showing in the regular beef show must be from herds containing 100% beef ancestors on both the dam and sire sides.
12. A registered steer must be designated as such at the December weigh in where the ear tattoos will be checked. *The copies of the registration papers, which match the ear tattoos, are due by April 1, 2024.* Breed show will be available for three (3) or more steers registered in any one breed. Should three (3) registered steers not be present, they will have the option to declare AOB or crossbred (declared by April 1st).
13. Steers will be placed in as many classes as conditions warrant by the Steer (Species) Committee. The Grand and Reserve Champions will sell first, then the top five (5), and then the Trumbull County Born and Bred followed by the first place Showmanship winners. Then all the first-place winners, followed by the second place animals, and on down the line. Any animal weighing less than **1,000 lbs.** will not be eligible to be shown in the market show or sale unless deemed finished by the Steer (species) Committee (animal is eligible for showmanship if member wishes). Steer classes will be split by weight. If class needs to be split, it will occur according to tag number (ascending order).
14. Re-Weighs must be done at the time of weigh-in. The weight master will determine the weight. Animals will not be permitted to return to the scales for a new weight unless approved by the species committee.

15. Steers judged as Grand and Reserve Champion must be sold in the Beef Sale at the Trumbull County Fair.
16. Steers and Beef Feeders pulled out of the Sale must be pulled no later than one (1) hour after the completion of the Show. (*Notify Livestock Sale Committee with the pull fee (\$10) and appropriate paperwork*).
17. Members selling animals in the Jr. Fair Livestock Sale will pay a sale fee determined by the Trumbull County Livestock Sale Committee.
18. The Top Five (5) will be selected by the judge pulling various numbers from the classes with the next steer in place from the class of each chosen.
19. Each exhibitor must show his/her own animal but may be assisted by any ***immediate*** member of the family if help is needed. If an exhibitor has 2 animals in one class, one must be shown by the exhibitor, and the other by any Trumbull Co. Jr. Fair member. Grooming is to be done by the 4-H exhibitor on his or her own animal but may be assisted by an immediate member of the family, advisor or Trumbull County Beef Booster 4-H member if help is needed. **Family as is defined by the Ohio Revised Code.**
20. An exhibitor must show his/her own animal in Showmanship class. Unless, under certain circumstances, the Steer (species) Committee may approve the showing of another animal. Showmanship participation is mandatory for all club members.
21. The club's advisors must check each steer for its ability to be ***led by June 1.*** Artificial means of controlling animal(s), such as blindfolds, shall be prohibited and deem the animal unleadable. **If a steer cannot be led by the June 1st deadline, it will not be permitted at fair.** If any steer is successfully shown at a show after March 1st, it will be deemed leadable and will not need to be checked

at farm tour. All steers must be led outside of the barn by the youth member during this time. No exceptions.

22. Any animal needing blindfolds or other artificial controlling devices (other than halters) will not be permitted to participate in the show or sale at the Trumbull County Fairgrounds.

23. No advertising may appear on the person showing a beef animal in any Jr. Fair Show.

24. Exhibitors must abide by the code of conduct established by the club's advisors, the Extension Office, Jr. Fair Board, and the Senior Fair Board.

25. Representatives from Jr. Fair and the Extension Office may be present during the show.

26. Exhibitors will wear his/her organization attire for the Jr. Fair Show and Sale (i.e. jeans, club shirt, leather boots/footwear).

27. It is **mandatory** that every member with a Beef Project complete the Beef Skillathon in order to exhibit his/her animal at the fair and in order to be eligible for best project award.

28. All animals placed in the Top Five (5) will stay in their stall areas, and will be clearly marked as Grand Champion, Reserve Grand Champion as well as other places in lieu of moving to Champion Row.

BEEF CARCASS RULES

1. Exhibitors may tag up to two (2) steer(s)/heifer(s) for the purpose of carcass. The steer/heifer must be acquired by and weighed in by December, as stated in the rules for the live steers.
2. In the carcass class, live weight requirements are the same as the live steer show rules (***suggested beginning weight 450 lbs. or greater at weigh in, and final weight of at least 1,000 lbs.***)
3. Carcass participants must declare carcass animal(s) at farm tour in May. You may designate whichever animal(s) at carcass weigh in.
4. Sale fees are the same as for live steers.
5. Minimum standards acceptable for sale are:
 - A.) Carcass size weighing between 550 and 1000 lbs.
 - B.) Yield Grades of 3.99 and lower, except prime carcass up to yield grade 4.5.
 - C.) Quality Grades of Prime, Choice, and Select.
6. All carcasses that meet the minimum set standards will be auctioned off by the pound.
7. Exhibitors must complete a carcass project book and will be expected to attend training sessions, and to be present at the live steer evaluation the day the carcass steers/heifers are brought to the fairgrounds (Sunday before Fair).

8. Exhibitors will be responsible for the carcass and all of the processing cost if the steer/heifer does not meet minimum standards to sell. Buyers will be responsible for all processing cost for carcasses just as they would a live steer.
9. Steer/Heifers designated for the carcass class must be able to lead for the live evaluation just as steers scheduled for fair exhibition. All steers must be led outside of the barn by the youth member during this time. No exceptions.
10. There will be a trophy given for the carcass steer/heifer with the greatest rate of gain.
11. Steers/Heifers will be taken to the fairgrounds for display and weighed in at a time to be announced at a later date by the Trumbull County Livestock Sale Committee. The steers/heifers will then be taken to the packing house. Judging and results will then be announced at a later date.
12. If calculation error(s) are found, the corrected calculations will replace the incorrect ones.

SHOWMANSHIP

1. Showmanship includes: 1) Appearance of the animal; 2) Ability to properly pose the animal; 3) Ability to move the animal as directed by the judge; and 4) Project knowledge. **These standards will be communicated to the judge prior to the**

show and will be applied at the judge's discretion. The judge's decision is final.

2. Exhibitors may dress in Showmanship attire or organizational attire for showmanship.
