

2024 Junior Fair Sheep Rules

Show Date: Wednesday, July 10, 2024 at 2 pm in the Sale Barn Ring.

General Rules

1. To participate as a Junior Fair exhibitor, a youth must comply with all Junior Fair membership policies. **“Exhibitor means any person who shows, displays, or exhibits livestock at an exhibition.”**
2. The exhibitor must show all animals. If the exhibitor has two animals in the same class, another Trumbull County Junior Fair exhibitor can help show the second animal.
3. All sheep projects must be in the possession of the exhibitors on day of **weigh in. Weigh in and tagging will be the fourth Saturday in April from 10 am - 12 p.m.(noon).**
4. Exhibitors will be limited to bringing a maximum of eight head of sheep to the fair,
5. All tack, feed, and grooming stands must be kept in tack pens or in the West end of sheep barn. Grooming of sheep must be done at the West end of the sheep barn. **Pedestrian isle must be cleared by 11AM showday.**
6. Exhibitors are expected to dress in a clean, neat and orderly fashion when showing and selling. No farm or commercial advertising is allowed on dress attire during the Junior Fair shows and Livestock Sale. Exhibitors are to wear work boots or sturdy shoes only. No sandals, or open toe shoes allowed. Club t-shirts are allowed, Club shirts are expected to be tucked in with a belt. Full length pants – no shorts.
7. **There will be a 15-minute break in between showmanship and market lamb classes.**
8. Exhibitors have the option of **tagging** five (5) market lambs at the initial weigh-in and are limited to bringing two (2) market lambs and two (2) carcass lambs to the Fair. **Each family may tag one ‘family lamb’ as a replacement animal. Must be tagged at April weigh in.**
9. Exhibitors are permitted to show two market lambs and two carcass lambs but are limited to selling four animals in the Livestock Sale.
10. Grand and Reserve Champions must sell in the Livestock Sale.
 - a. Disqualification of Grand or Reserve Champion for any reason will result in forfeit of awards and money.
 - b. If any exhibitor wishes to pull their lamb from the sale order, this must be done within one hour after carcass results by notifying the advisor. The exhibitor must pay the pull out fee to the Livestock Sale Committee immediately.
11. The Livestock Sale Committee will determine all sale fees for market and carcass lambs.
12. **Ohio Revised Code will be used in the case of a missing animal.**

13. 840 tags will be used as fair identification.

a. All lamb projects (breeding or market) must have a “scrapie tag” present in their ear (prior to county weigh in) identifying their flock of origin. Contact USDA for information on scrapie tags at (614) 469-5602. Animals without official scrapie identification are ineligible to exhibit, compete and/or sell at the Trumbull County Fair.

b. All tags and identification must remain on animals at all times. According to the USDA official Scrapie tags cannot be removed. If a tag is lost, it must be reported to the Extension Office, an adult 4 H/Junior Fair sheep committee member and/or Livestock Sale Committee immediately. Animals not having tags or identification (or evidence of them) are ineligible to exhibit at the fair.

c. There are no health certificates or tests required for breeding or market lambs for the fair. However, they must be free from disease including sore mouth, foot rot, club lamb fungus, etc. and adhere to any ODA guidelines and/or tests. Drenching of livestock at an exhibition is prohibited except as permitted under paragraph Q of rule 901-19-12 of Administrative Code: Drenching livestock for a medical condition at an exhibition when diagnosed by a licensed veterinarian.

All animals are subject to a vet inspection at the fair.

Please note: animals that are transported across state lines and/or comingled with those from other sources are subject to additional health assessments. Please contact your veterinarian for advice on specific circumstances. Any animals not meeting vet approval will be dismissed and are ineligible for exhibit.

d. According to ODA guidelines, members must keep all production, market and treatment records for at least five (5) years.

14. All families exhibiting sheep at the fair must contribute a \$25.00 sheep building maintenance fee to acting club treasurer by June 1st.

15. Grooming of all Trumbull County sheep must follow Ohio's Livestock Tampering Exhibition Rules that can be found online and in the Trumbull County Fair Book.

Market Lambs

1. Market lambs must be either ewes or wethers born after December 1st of the prior year of fair.

2. All wether lambs must be castrated by April 1.

3. All tails must be docked by April 1.

4. All market lambs must be in good health and soundness. Any unfit, unthrifty animals will be sent home from the Fair. The 4-H Educator, a Senior Fair Director, and the Fair Veterinarian will make this decision.

5. All market and carcass lambs shall be brought to the Trumbull County fairgrounds on the

fourth Saturday in April from 10 am – 12 p.m.(noon) for weigh-in and tagging.

6. Any market lamb must weigh 86 pounds and over to compete in the market show. If a lamb fails to weigh 86 pounds, it is **not** eligible to compete in the market show. However, this lamb can be shown in a showmanship class if it is the exhibitor's only lamb registered/entered in the show. The exhibitor must take the lamb home at the conclusion of the fair only if it is used as showmanship project, otherwise the lamb is to be removed from the fairgrounds after weigh-ins. There will be a re-weigh option if the lamb does not make weight at fair weigh in. Only lambs not weighing 86 pounds can be re-weighed following steer weigh in. There are no early weighs.

7. Market lambs that have any trace of testicular tissue will be disqualified.

8. First place in each class will receive a rosette and/or item; second place will receive a rosette.

9. Exhibitors are responsible for their animals according to the Ohio Revised Code. This includes feeding, watering, and keeping the animals and stalls clean. Exhibitors or representative will be in the barns at 6 p.m. the last day of the fair to help load their animals to the buyer hauler trailer and clean pens.

10. Drenching of livestock at an exhibition is prohibited except as permitted under paragraph Q of rule 901-19-12 of Administrative Code: Drenching livestock for a medical condition at an exhibition when diagnosed by a licensed veterinarian.

11. All animals once brought to the fair are to remain in the sheep barn and are not to be taken to any other areas of the fairgrounds except to the show ring during designated practice time (to be determined) and day of the show.

12. Leasing MARKET animals for youth exhibition projects is NOT permitted under any circumstances.

13. Classes will be divided by weight, with a minimum of four lambs per class.

Carcass Lambs

1. Carcass lambs do not need to be designated at weigh-in. However, exhibitors shall inform advisors of intentions to participate in carcass class at weigh-in.

2. Exhibitors may sell two carcass lambs.

3. All carcass lambs must weigh 86 pounds (live weight) or more over at final weigh-in to be eligible to participate in carcass competition.

4. Carcass lambs will be broken between the twelfth and the thirteenth rib for objective placing.

5. Carcass lambs that have any trace of testicular tissue will be disqualified.

6. All carcasses that meet the criteria will be eligible for sale at the Trumbull County Junior Fair Livestock Sale.

7. Grand and Reserve Carcass lambs will receive a banner, rosette and an award item.

8. Exhibitors will be responsible for carcass and all processing costs if the animal does not sell at the sale.

9. Carcass judging will be Thursday of Fair week.

10. Judging will follow Junior Fair Carcass Guidelines.

11. Drenching of livestock at an exhibition is prohibited except as permitted under paragraph Q of rule 901-19-12 of Administrative Code: Drenching livestock for a medical condition at an exhibition when diagnosed by a licensed veterinarian.

Breeding Project

1. Ewe lambs shown as market lambs cannot be shown in breeding classes.

2. Exhibitors can show a maximum of two in each class.

3. Categories are:

(1) Registered and (2) Commercial Sheep. Classes for each category are Yearling Ram, Ram Lamb, Yearling Ewe, Ewe Lamb.

4. Commercial sheep are defined as crossbred ewes that are ineligible for registration papers. If there are two or more animals in any registered breed, that breed will be judged by itself.

5. If there is only one exhibitor, those breeds will be shown in All Other Breeds. (Note: This does not include Commercial Sheep.)

6. Ewe and Progeny class will consist of an ewe and her current lamb crop. The following data is requested: age of ewe, date of shearing and weight of wool, lambing percentage, date of birth of offspring, weight at birth and at Fair.

7. Registration papers should be made available. Papers can be in individual, farm, or family name.

8. All sheep must be properly cared for – water, feed, and bedding – during entire stay at fair.

9. All breeding sheep will be checked for general health and soundness. Any unfit, unthrifty animals will be sent home from the fair. The 4-H Educator, a Senior Fair Director, and the Fair Veterinarian will make this decision.

10. Drenching of livestock at an exhibition is prohibited except as permitted under paragraph Q of rule 901-19-12 of Administrative Code: Drenching livestock for a medical condition at an exhibition when diagnosed by a licensed veterinarian.

11. Leasing of breeding animals must follow the Ohio 4 H/FFA Guidelines. The lessee is responsible to complete the lease contract and submit to the County 4-H Educator by April 1st(ORC 901-19-39)

WOOL SHOW

1. Each member may enter two fleeces- registered and commercial breeds accepted.
2. It is recommended that all fleeces have one year's growth. No lamb wool. No second cuts.
3. Remove manure tags and matted wool before tying fleece.
4. Fleeces should be tied with paper twine.
5. Fleeces should be rolled with cut side out.
6. Wool should be stored in paper or burlap, if possible. If plastic is used, punch holes in bag and leave the top open to allow air to circulate.
