A Word From Ashlee

Dear 4-H Families,

Summer is finally here, and youth are excited to be done with another year of school! We are just a little over a month away from the Trumbull County Fair—which is one of the highlights of our 4-H youth's summer! June is a very busy month- project judging, the Geauga-Trumbull 4-H Camp, and fair prep/clean-up. Best of luck as you prepare for judging/skillathon! Please read through the information in this edition pertaining to these items, including last minute reminders leading up to the Trumbull County Fair. We also have highlighted our Royal Court contestants, scholarship winners and our senior 4-H members.

4-H News for Advisors and Members

4-H MEMBERSHIP-AFTER APRIL 1ST

After the April 1st enrollment deadline, members are locked into the club(s) and projects they have enrolled in for the year. Please contact the office if deletions need to be made. It is normal for members to drop projects and it is appreciated when information is communicated with the OSUE Office.

Membership can still be granted after the April 1st deadline by way of "associate membership". This means that the 4-H member can join the 4-H club and attend meetings, club activities and complete project judging but they are not permitted to exhibit their project at the Trumbull County Fair or Ohio State Fair for competition. If you have questions, please do not hesitate to ask.

ADVISORS' GRADE SHEETS

4-H members who are enrolled in a general/still project who are not able to attend General Project Judging on June 23, 2022 must schedule a makeup date with their advisor or species' chair. Advisors may obtain grade sheets from the OSU Extension Office. Advisors should turn in project grade sheets to the OSUE Office no later than July 1, 2022. You may use the A, B, C system (blue, red and white ribbons). Members should receive a grade ribbon for each project in which they have enrolled in and completed. ***This option does not apply for animal projects who will be exhibited at the fair***

IMPORTANT: All 4-H members must complete project judging in order to receive a fair pass and receive project completion credit for the year. In the order of fairness, general and clothing project members must attend their assigned date in order to be eligible for state fair competition.

YOUTH CONDUCT DURING THE FAIR

Youth are held to the Ohio 4-H Code of Conduct throughout the 4-H year. This includes but is not limited to the Trumbull County Fair. Misconduct that results in harm to a person, animal or property will be investigated by the Trumbull County Sheriff Dept. and prosecuted to the full extent of the law. Please be mindful of your behavior. You are representing our county 4-H program.

2022 Wristband Distribution

The Sr. Fair Office will be distributing wristbands for 4-H members & volunteers. Wristbands must be obtained prior to Monday, July 11th at 5:00 pm.

4-H MEMBER & ADVISOR FAIR PASS INFORMATION

Packets of Fair Passes for 4-H members and advisors will be ready for pick up at the Sr. Fairboard Office starting July 1. Club rosters are not sent to the fair office for packets to be put together until the club's activity fees are paid (June 1) and project judging is completed. A club advisor must pick up and sign for the packet. Advisors are responsible for fair passes. Please make sure you distribute them to your members before fair begins. Members in more than one club will be given their fair passes through their PRIMARY CLUB. Thank you!

ALL unused advisor and member tickets should be returned to Jan Solomon at the Sr. Fair Board Office. This provides the fair board with an accurate count of what was used. If you have youth who signed up for your club but did NOT fully participate in club activities, you have the option to withhold their fair pass. If a youth did not attend project judging in some capacity, they should not be given a fair pass. Fair passes are a privilege and gift from the Sr. Fair Board.

DRUG USE NOTIFICATION FORMS

In 2022, DUNF forms will be completed electronically via Qualtrics. The Qualtrics link will be shared with families and will open on the morning of **Friday, July 8th** and close permanently at **8:00 am on Tuesday, July 12th**. Please check with your advisor, as they may have specific instructions within the species, especially if you have a carcass project. It is the 4-H member's responsibility to complete forms for each animal they plan on exhibiting. Failure to turn in these forms may result in you being asked to remove the animal or elimination from the show. Even if cattle do not milk in the parlor, but they milk on the premises (same for goats), they still need a DUNF form!

HEALTH CHECKS

All animals will be health checked when you check in at the Fair. Animals presented for exhibition must show no symptoms or evidence of an infectious or contagious disease. If there are questions regarding the health of your animal, you may be asked to produce proof that your animal is in good health or may even be asked to remove your animal from the Fairgrounds. This is done, not only for the safety of your animal, but other animals and people who come in contact with the animals as well. ***Rabies vaccines are required for dogs, cats and ferrets (pg 25).** Do you have further questions regarding health requirements to exhibit at the fair? Reference page 52 in the fair book to read over health rules.

ANIMAL GROOMING & CARE

A friendly reminder to advisors, family members and 4-H members that 4-H projects are the responsibility of the 4-H member. This includes feeding, watering, washing, cleaning pen or area, grooming, etc. A parent can be present to assist when needed but the majority of the work should be done by the youth. Thank you for your cooperation.

Registration/Ownership Papers

Please be sure to have registration/ownership papers available if this is required in your species area. You may be asked to leave if you do not have these papers readily available.

Open Class Entries

Are you interested in exhibiting in open class? Open entries are due **Saturday, June 25th by 4:00 pm.** to the Sr. Fair Board Office.
