Welcome to Trumbull County 4-H!

Welcome to the Trumbull County 4-H Program! This handbook will help guide you and your family as you experience the Trumbull County 4-H Program. Throughout your 4-H experience, please do not hesitate to contact our office with any questions.

What is 4-H? 4-H is a non-formal educational, youth development program. Youth are involved in hands-on learning that allows members to learn by doing. All 4-H programs focus on active involvement and quality experiences. More information about 4-H may be found at: http://trumbull.osu.edu. Click on 4-H Youth Development.

Who is in charge of 4-H? County, Regional and State 4-H professionals, who are staff members of Ohio State University Extension, are responsible for the management of the 4-H program. In each county, adult volunteers go through a selection and training process. These volunteers have day-to-day contact with the youth.

What is a 4-H Club? A 4-H club is a group of boys and girls organized with officers and with one or more leaders under the guidance of OSU Extension.

What are the age requirements? Begins when a child is age 5 and is enrolled in kindergarten as of January 1 of the current year (Cloverbuds). Membership to the 4-H club program begins when a child is at least age 8 and enrolled in 3rd grade as of January 1 of the current year, or if they have reached their 9th birthday. Ohio 4-H membership ends December 31 of the year in which an individual attains the age of 19. Membership begins when an eligible individual is enrolled in a club or group that is under the direction of a trained advisor and within the scope of Ohio State University Extension.

What is a 4-H Project? Projects are planned learning experiences and activities that focus on a particular topic. The project is a teaching tool that can be used to develop your child to their maximum potential. Therefore, the basic objective of 4-H is the development of the child. There are more than 200 projects to choose from!

How do I select a project? To view the projects available, you may request a copy of the Family Guide from the club advisor or the OSU Extension Office. The 4-H Family Guide may also be viewed at the following website: http://www.ohio4h.org/4-h-parents-volunteers/family-guide

Consider these factors during project selection:
- The project should meet the needs and interests of the child
- The project and topic should be appropriate for age and ability of the child
- Consider additional costs and time involvement.

How do I Join? Joining the right club is important to enjoying the 4-H experience. A list of 4-H clubs will be provided for you. Parents are encouraged to contact potential clubs. Please keep in mind that you will want to make these contacts in the near future,
as clubs typically begin meeting right after the first of the year. Here is a list of suggested questions to ask club advisors:

- How often and where do they meet?
- Are there any club dues?
- What projects are in their club?
- What types of activities does the club do?
- How big is the club?
- How many leaders and parents do they have?
- Do they have cloverbuds in their 4-H Club?
- What are the expectations of the parents?

4-H Enrollment: Your child must be enrolled with a club and project(s) chosen by Monday, April 1, 2020 to be eligible for full county 4-H involvement. Anyone wishing to join after April 2, may take a project but will not be allowed to compete in county or state shows, contests, or events or participate in Junior Fair. 4-H enrollment packets are available from the Trumbull OSU Extension Office, club advisors, or online at www.trumbull.osu.edu click on “4-H Youth Development” then “4-H Forms and Applications”. Club fees may be used towards refreshments, project book cost, club t-shirt, supplemental insurance, etc. Please ask your club advisor about their club fee structure.

Project Books – Most project books cost $6.00-$8.00. Some projects require an additional Resource Handbook ($12.00-$15.00) that is purchased once by the family and used for all the projects within an area by all members in the family. Check with your 4-H advisor for Project Book costs.
