2019-2020 4-H Program Year

Dear Future 4-H Family:

Thank you for your interest in Trumbull County 4-H! I have included several resources that will be helpful understanding the what, where why and when of 4-H here in Trumbull County. 4-H is supported in all 88 counties in Ohio and there are over 200 different 4-H projects to be involved in. Here in Trumbull, we currently have 31 4-H clubs. Many of them are project/species specific as you will notice in our directory. We hope you find your fit in 4-H!

First, is a copy of our Trumbull County 4-H Program Guide. It is a fantastic overview of what, why who and where! Next, is a printout of all our 4-H clubs in Trumbull County. This list not only includes the clubs in our county, it also includes the leaders within the clubs, the projects in each club, and information about club meetings. Accompanying piece with this document is the brochure that lists phone numbers for the leaders in the different clubs. After you look over the clubs and we have an additional conversation, I will put you in contact with a club or clubs that best fit your youths’ interests. For the future, some questions that I would ask the advisors about their club are:

- How often and where they meet?
- Are there any club dues?
- What types of activities does the club do?
- How big is the club?
- How many leaders & parents do they have?

I have also enclosed a 2019 4-H Family Guide, which lists all the projects available through 4-H. The 2020 Guide will be available in November. Clubs and members use this guide to help youth select projects for the year. Trumbull County supports a large portion of these state supported projects. Additionally, I have included a copy of The Leader, Trumbull’s quarterly 4-H newsletter for your viewing.

The rest of the information in this packet helps to explain what 4-H is and also more Trumbull County specific information. I hope this information helps you get off to a good start in our 4-H program. Once you find a project and/or club that you are interested in, please give me a call back and I will do my best to provide more details and point you in the right direction.

Again, thank you for your interest and please give me a call if I can be of further help! Don’t forget to like us on Facebook! Search: Trumbull 4-H Program for updates and photos. We are also on Instagram: trumbull4h.

Sincerely,

Ashlee Dietz
