Trumbull County Ag Center
520 West Main Street
Cortland, Ohio 44410

Cost: \$20 per person. Pre-registration is requested.

Call 330-638-6783 for more information

Join the Trumbull County Master Gardeners as they host an educational seminar titled **“A Passion for Plants”** on Thursday, January 21, 2016 from 9:00 to 12:00 noon at the Trumbull County Extension office located at 520 West Main Street in Cortland, Ohio. This class will be taught by nationally known speaker Mr. Bill Hendricks, President of Klyn Nurseries, Inc.

Have you ever gotten excited about a plant that you have seen for the first time or maybe an unusual or exceptional specimen of a familiar species? During this session, Bill will share some of the plants that he has found memorable in his travels around the world over the last 50 years. Visit plants you may be familiar with in your garden or on your windowsill from the Great Wall of China to the deserts and mountains of South Africa to the moors of Scotland and botanic gardens in the Czech Republic and more. You will be dazzled by the shape, size and variety of plants that Bill has seen in his travels.

This class is open to both Master Gardeners and the general public. For Master Gardeners, this class is worth 3 hours of continuing education. Register early as space is limited.
