The Master Gardener Volunteer Program

The Master Gardener Volunteer Program trains volunteers for The Ohio State University Extension in their county to help further the mission of engagement and outreach.

Volunteers are trained in consumer horticulture including: annuals, perennials, fruits, vegetables, soil, botany, turf, insects, diseases and more! After receiving over 50 hours of education, each intern must complete 50 hours of service to OSU to become fully certified Ohio State Master Gardener Volunteers.

Master Gardener Volunteers (MGV's) become leaders and educators in the community tasked with sharing their new knowledge and gardening experience with the public through presentations, informational booths, offering workshops and fun events, and always providing **RESEARCH-BASED, UNBIASED RELIABLE INFORMATION.**

BECOME A MASTER GARDENER

Join a growing volunteer organization where you can share your interests in gardening, environment, and nature with your peers!

Being an MGV...

- Receive research-based training from OSU experts in areas of lawns, gardens, insects, propagation, and more...
- Master Gardener Volunteers (MGVs) are LEADERS, not weeders. While volunteers do work on select community service projects, the majority of the groups' activities aim to provide education and outreach in the community through workshops and programs in areas of HORTICULTURE, INVASIVE SPECIES, LOCAL FOODS, and PEST MANAGEMENT.
- Benefit from continuing education opportunities available only to MGVs.
- Work in YOUR community to make a difference.
- Work on existing programs and outreach OR design your own project!
- Contact Noelle Barnes, MGV coordinator for more info.
- 330-638-6783 or barnes.1127@osu.edu

HORTICULTURE HOTLINE! April - October

Master Gardener Volunteers offer homeowners answers and advice for common landscape and garden questions through the MGV Horticulture Hotline at the County OSU Extension Office.
